St Edmund Hall

Undergraduate Freshers' Guide 2026

Welcome from the Principal

It is with very great pleasure that I welcome you to the Hall. This is an incredibly vibrant, friendly and highly committed academic community which you have now joined.

St Edmund Hall/Teddy Hall/the Hall are all names that you will find people using to refer to the college. People will also now sometimes refer to you as an Aularian - all very confusing but I have no doubt that quickly you will take this in your stride, and settle into life at Teddy Hall and Oxford more generally.

The first term will have its ups and downs. This is entirely normal for everyone – moving to University represents a large step in anyone's life. I just want to therefore remind you in this welcome note that we are here to support you in good times and bad. In return, all we ask of you is to fully embrace everything that Oxford and the Hall has to offer, live life to the full, and make the most of your time here. Time passes far too quickly when you are in Oxford!

I very much look forward to meeting you all individually this term.

Very best wishes

Professor Baroness Katherine Willis, CBE
Principal

Welcome from the Senior Tutor

Dear Fresher

As Senior Tutor, my role is to oversee the academic activities of the College. I work with the Tutor for Undergraduates and the College Registrar to ensure that there is appropriate academic and pastoral provision to allow students to study effectively. To do this, we monitor student progression and feedback each term.

While we will do our best to provide you with an academic environment in which you can flourish, you will need to do your part if you are to succeed. Your tutors will offer you advice and support, but you will need to take responsibility for your education. That means completing work to deadlines, submitting paperwork as requested and responding to e-mails in a timely fashion.

Oxford terms are short and the workload is challenging, but should be manageable. While there will be time for you to enjoy life away from your studies, academic matters must come first. Once you slip behind with your work, it will be almost impossible to catch up.

Make sure you communicate with the College: if you are unwell, struggling with the workload or stressed, talk to your tutor or to the welfare team. If you are unhappy with the teaching that you are receiving, talk to your tutor, or contact me.

In advance of your arrival, please take note of the guidance provided by your tutor and the preparatory reading that they have suggested, and complete the pre-arrival work that they have set. In addition, I draw your attention to the University's guidance on academic practice, and particularly on plagiarism: www.ox.ac.uk/students/academic/guidance/skills.

Yours

Robert Wilkins
Senior Tutor

The Grey Book

The Grey Book is the name given to the College Regulations for students. When you sign your college contract, you will be undertaking to abide by the regulations in the Grey Book. Read it and get to know it. It will tell you everything you need to know about being a student at St Edmund Hall, from term dates and fees and charges to academic arrangements and college policies on welfare and discipline.

The Grey Book can be found on the College website.

Arrival Information

When should I arrive?

You should arrive at St Edmund Hall on **Sunday, 4 October.**

Let us know when you will be arriving by filling in the registration form. If you are taking up College accommodation, you should make sure you have discussed your arrival date with the Accommodation Manager.

How do I get to Oxford?

Maps, directions and travel advice are available from the University website. If you are taking a bus from central London, or either Heathrow or Gatwick airport, ask the driver for the Queen's Lane bus stop on the High Street, immediately opposite the College.

Is there any parking near the College?

Regrettably, no; parking is very limited in the historic city centre. Cars may be unloaded in Queen's Lane, directly outside the College, but space is limited. To avoid attracting unwanted attention from traffic wardens, obtain a temporary unloading permit from the porters' lodge and do not park in the disabled bay unless authorised.

Where do I pick up my key?

All students living in St Edmund Hall accommodation should collect their key from the porters' lodge at the main college site in Queen's Lane, regardless of which site they live in. The lodge is staffed 24 hours a day, and provided you have told us when you plan to arrive (if out of normal office hours), they should have the key ready for you.

What is the address of my accommodation?

All first-year undergraduates will be living in college accommodation. Your post will be delivered to your pigeon-hole in the porters' lodge. Your address will be St Edmund Hall, Oxford, OX1 4AR. This is the address you should give to banks and all other official bodies.

I need to make return travel arrangements. When should I book my return ticket?
Information about terms, weeks and dates is published in the **Grey Book**. Undergraduates are expected to stay in residence until the last Saturday of term. You should **not** plan to leave College on Friday because tutorials and classes may be arranged until 7 pm.

Still have questions about your arrival? Email the Accommodation Manager.

Registration and Joining the University

This page explains the steps you will take to become a member of the University of Oxford.

The University Card Form
All students must complete the Card Form before they can be registered for access to University facilities, including learning resources and email. Please return the Card Form to the College Office no later than **Monday 7 September** so that you are not delayed in registering and gaining access to university facilities at the start of the term.

Online registration
When your University Card Form has been processed, you will be emailed your Oxford Single Sign-On (SSO) account details. Let us know if these haven't arrived by Monday 21 September. Once you have your SSO, you will be prompted to complete the first step of registration online. You should do this **before** you come to Oxford.

College registration and your University Card
College Office staff will help you complete your University registration during the **compulsory** College registration session on **Monday 5 October**. The College Office will let you know your allocated registration slot. You will be able to collect your University (or Bodleian) card when you arrive at the College. Your University Card is your pass to all the University libraries and certain departments. At St Edmund Hall, it also acts as a swipe card for meals and laundry. If you have a student loan, it won't be paid into your account until we have completed your registration, so make sure you don't miss the session!

Matriculation
Matriculation is the traditional ceremony at which you will formally be admitted to the University. Attendance is compulsory, and you will be required to wear full academic dress. This will take place on **Saturday of 1st Week (Saturday 17 October).**

Still got questions about registration or matriculation? Email the College Office.

Visa Information for International Students

EU, EEA, Swiss and Overseas students are required to provide evidence that they are legally permitted to study in the UK. You must upload your passport ID page and a copy of your eVisa via the Passport and eVisa Submission Form for checking and recording. You must do this by **Monday 7 September**.

eVisas and Pre-settled/Settled Status

For an online eVisa or pre-settled/settled status, you will need to send us a Share Code. Please visit the following link: https://www.gov.uk/view-prove-immigration-status and complete the checklist to generate a Share Code.

Please upload your **passport ID page and Share Code together** via the Passport and eVisa Submission Form. We will use the Share Code and your date of birth to check your permission to study in the UK through the Home Office online service.

More information on student visas may be found on the University website. You can also contact student.immigration@admin.ox.ac.uk if you have further queries.

University Orientation Information for European and International Students

At the Oxford Student Union Freshers' fair, there will be a visa and immigration stand, and a student information stand for advice about settling into life as a non-UK student, as well as a huge range of international student societies and a range of other sports, social, and cultural stands.

Academic Information

Although academic work won't start in earnest until **Monday 12 October (1st Week),** your tutor will arrange a meeting with you in Freshers' Week to plan work for the term ahead. You will also attend a talk from the Tutor for Undergraduates, and departmental and library inductions.

Preparing for your studies

Tutors in all subjects have set preparatory exercises for you to complete before you arrive. You should also make sure to read the welcome from the Senior Tutor at the front of this guide, which sets out the College's general academic expectations of you.

You may wish to take this opportunity to look at the University's general study skills guidance. Your attention is particularly drawn to the section on plagiarism. Under the University's regulations, intentional or reckless plagiarism is a disciplinary offence, and the College takes such cases very seriously.

Libraries

The University of Oxford's Bodleian Libraries group is one of the largest academic library services in the world. The College also has its own library, housed in the 12th Century church of St Peter-in-the-East. As well as providing additional copies of many of the texts you will need, the College Library is a beautiful and convenient place to work.

You should attend the virtual University Libraries induction and the College Library induction in Freshers' Week.

Freshers' Week

Freshers' Week is packed with a variety of events designed to help you settle into Oxford. There are official induction sessions into the College and your department. The Junior Common Room (JCR) also organises a number of social events.

Please note that the induction timetable is subject to change. A copy of the current version will be available on the Freshers' website.

Compulsory events are highlighted in **blue** on your timetable. You should prioritise attendance at these events. They have been scheduled to take place during times agreed within the University for College events, but if you also have a compulsory Faculty or departmental engagement at the time of one of these events, please let the College Office know. Make sure you check your email regularly and keep an eye on College noticeboards for details of important meetings.

Living Arrangements

Your Room

You will be living on the main site, and a room has been reserved for you. The Accommodation Manager will email you a copy of your Licence Agreement for you to sign.

Please note that your licence agreement will start from Saturday of -1 Week to Saturday of 8 Week each term. You will therefore be billed at the daily accommodation rate from this date. If you return to Oxford after Saturday of -1 Week but before noon on Thursday of 0th Week, your accommodation charges can be adjusted accordingly if you notify the Accommodation Manager in advance.

Your room is fully furnished, but you are expected to supply your own bed linen, including a duvet (or blankets) and pillow(s). However, bedding packs can be purchased from the College at a cost of £55.

Your room is available to you during University terms only, and you will need to remove your belongings at the end of each term. Overseas students who have difficulty returning home in vacations may make special arrangements with the Accommodation Manager.

Electrical equipment

Audio-visual equipment should be operated at a low volume only and not outside the Music Hours specified in the Grey Book.

If you would like to bring a fridge, you will need to apply in writing to the Accommodation Manager. You will need to lodge an £80 deposit against disposal costs.

Kettles, toasters, rice cookers, heaters and irons are not permitted for reasons of compliance with fire regulations. The College provides these in pantries and laundries. Candles and incense are also not permitted in student rooms.

If you have a TV or will be streaming content, you will need a TV licence.

Any electrical equipment you bring to College must conform to UK safety standards. All appliances must bear the British Standards 'kite-mark' or equivalent and must either be new or have been PAT-tested. The UK electric supply is 240 volts and plugs are three-square-pin.

Meals

All students are expected to have a certain number of meals in College: students living in Queen's Lane will be charged £405.00 and students living in College annexes (WRM or Tamesis) will be charged £150.00 each term for meals. The sum can be used to pay for breakfast, lunch, brunch, servery dinners and all formal halls. There will be **no refunds at the end of each term.** The balance at the end of MT and HT will be rolled over to the next term. Any remaining balance on the account at the end of TT will be written off.

Laundry

There is a laundry on each site. Payment for laundry is through an app or credit/debit card (see posters in the laundry room).

Insurance

The College insurance policy only covers loss due to fire and flood. It does not cover your personal possessions against theft, and you must make your own provision for your belongings.

Regrettably, thefts are quite frequent in Oxford, and some have occurred in College, usually as a result of rooms being carelessly left unlocked or property unguarded in a public place. You must be very security conscious. Never leave your room unlocked, even for a minute. Remember this especially on the day you arrive. Thieves know the dates on which students arrive and take advantage of the general chaos to help themselves. It has been known for thefts to occur while students are going back and forth ferrying their belongings from their cars to their rooms. It is also important that you ensure that the boot and doors of your car are locked at these times.

Can I have a car?

Although we don't have rules about ownership of cars, motorbikes, etc., they are more of a liability than an asset in this congested city. The College has no parking available, and parking permits are very restricted.

Bicycles

Most people find cycling the easiest way to get around Oxford. All bicycles must be registered with the Porters' Lodge soon after arrival. Only one bicycle per student is permitted. Any unregistered bicycles will be removed from the College.

You can find some advice on cycling in Oxford on the University Website and also further advice on Efficient cycling.

College IT

Wi-Fi/Internet

Your College username/password will grant you access to the SEH Students Wi-Fi.

Please note that your Internet access is monitored. Downloading of illegal material (such as copyrighted films or music that you have not paid for) is strictly prohibited and, if caught, will be fined at £100/offence.

Printing

You can either print from any of the onsite computers at St Edmund Hall, or you can log on to http://printing.seh.ox.ac.uk from your own computer. From here you can check your printing charges and submit to the JCR, Library or NSE printers. Paper is available from the Lodge.

Computers

There are computers available for you to use in the JCR Computer Room (in the Besse Building). Your username/password will be emailed to you before you arrive.

Please note it is important that you do not share these details with anyone. It is used to track who had access and made changes to specific information. You are responsible for everything done on the system using your username and password.

If you bring a computer, you are strongly advised to specify it as a separate item on your insurance. You should make sure to back up your work regularly, and do not leave laptops unattended.

Connection to the College network is via a wireless or an ethernet port. Do not bring a router/modem yourself. Please note that most of the College is afforded with good Wi-Fi coverage, but there are a small number of ‘dead spots’. You will need to plug in to the ethernet network in these locations. All computers without wireless capabilities require an RJ-45 network port to connect to the network. If you do not have one, we can provide you with an adaptor for temporary use.

Students connecting their computer to the College network should install and regularly update anti-virus software. Sophos anti-virus software is available for free from the University Computing Services.

Finance and Fees

Money matters can seem daunting when you go to University. This Student Finance Guide explains everything you need to know about tuition fee rates, how and when to pay College bills ('battels'), and the support available to you from the College and University.

The deadline for payment of your tuition fees is Friday of 1st Week (16 October).

Please contact the Finance Department if you have any queries: fees@seh.ox.ac.uk or (01865) 279002.

Bank accounts

If you don't already have a bank account in the UK, it is essential that you open one. Overseas students should start preparing before they leave for the UK: large banks usually let you begin the application procedure online.

Please see the University website, which contains further information, including a step-by-step guide on setting up an account and common terms for bank accounts in the UK.

Tel: 01865 515552
Email: bobicb-ox.summertownhc@nhs.net

We are writing to welcome you to Oxford and to introduce ourselves to you as your College Doctors. St Edmund Hall has appointed Summertown Group Practice to provide health care for you while you are at college.

To register with Summertown Group Practice please complete our on-line registration form which you can find at www.campusdoctor.co.uk/oxford

During term time we offer surgeries at the college, you can also be seen at Summertown Health Centre. If you need to see a doctor whilst you are at home, you should go to your home GP and register as a temporary patient.

Our services are strictly confidential. While we have a link to your college, we do not discuss your medical issues with anyone in the college, your friends, or your family unless you ask us to do so.

All students who are studying in the UK for longer than six months duration are entitled to register with the NHS. This is a Government-funded service, paid for by British tax-payers. Please go to www.nhs.uk for more information. As a patient, you generally access the NHS through your GP. In the UK you cannot consult a medical specialist without going through the GP first. If you are from abroad and have a pre-existing health condition, we request that you bring copies of your medical records and diagnoses with you to help us to help you, and to file a copy in your medical records here.

We have a comprehensive website at www.summertownhealthcentre.co.uk where you can find out about the services we offer and surgery times. If you have any queries, then our reception staff will be very happy to help you.

Immunisations

It is particularly important you have had all your immunisations before you arrive. In particular, the Measles, Mumps and Rubella (MMR) vaccine and the Meningitis ACWY vaccine (for students up to age 25) are strongly recommended as these infections circulate rapidly in the student community. Over recent years Oxford has had several mini epidemics of Measles and Mumps. In the UK these vaccines are available through any GP practice, please arrange to receive these vaccines over the summer so that you have immunity on arrival in Oxford. If you are from a country where these immunisations are not available, please contact us when you arrive in Oxford to arrange appointments for them.

Registering with the Practice is IMPORTANT for both your assurance and the College.

We wish you good luck with your studies in Oxford.

Welcome from the Welfare Dean and College Nurse

Dear Fresher,

My name is Clare Woolcott, and I work at St Edmund Hall as the Welfare Dean and College Nurse. I work closely with Jane Armstrong, our Senior Welfare Officer, and form part of the Decanal team.

I can support you with your physical and mental health needs, such as contraception advice, minor illness support, wound care and phlebotomy. I can also act as a first point of contact for problems such as Anxiety and Depression, Eating Disorders, Homesickness and Bereavement. If you have any long-term health concerns such as diabetes or severe allergies, please do come and see me. I offer daily clinics in college during term time. You can book an appointment by going to http://wellbeing.seh.ox.ac.uk/ and follow the link to the Welfare Dean and Nurse appointments.

We have a College counsellor who can be contacted by emailing counsellor@seh.ox.ac.uk or you can self-refer to The Oxford University Counselling Service by following the link on this website: https://www.ox.ac.uk/students/welfare/counselling.

I work closely with the College Doctors who run a clinic in college on Tuesday mornings during term time. To book an appointment with the College Dr, go to https://wellbeing.seh.ox.ac.uk/ and follow the link to the doctors' appointments. If you haven't done so already, please register with the College Dr's (Summertown Health Centre). Follow this link: https://www.campusdoctor.co.uk/oxford/ and click on St Edmund Hall.

I offer a strictly confidential service. I will not share any information without your permission unless in extreme circumstances where there is concern that you may be putting yourself or others at risk. If this were the case, I would always discuss disclosure with you first.

I recommend keeping a small first aid kit in your room consisting of some analgesia such as paracetamol, a thermometer and some plasters.

Above all, may I welcome you to St Edmund Hall and wish you a happy and successful time while you are with us.

Best wishes,

Clare Woolcott

Welcome from the JCR President

Dear Freshers,

Congratulations on getting into Oxford, and particularly its best constituent college, St Edmund Hall! We're incredibly excited to welcome you all in October when you begin your degrees. I'm certain you have plenty of questions about life at Teddy Hall will be like over the next 3-4 years. Although our main Queen's Line site is comparatively small, it does not mean it lacks in history, charm, or other benefits. Founded in the 13th century, our college has been in continuous operation for nearly 800 years, and we're proud to continue upholding the academic legacy of our founder, St Edmund of Abingdon (although we no longer offer Theology). We pride ourselves on our tight-knit community, range of societies, and variety of sports offered; including some truly odd ones, such as Octopush (underwater hockey), which we won the university-wide competition two years ago! We have a truly amazing college community, and importantly one that allows people to explore any interest they may have.

Some information about myself, I'm Guus, the President of the Junior Common Room (JCR). The JCR refers to both undergraduate body and to the common room itself. The physical room is essentially a common area, with a TV, coffee machine, and lots of space to relax. The wider JCR includes every undergraduate at the college and is run by a committee with specific focuses. Our Entertainment (Entz) Representatives organise the majority of our college social events, such as Big Organised Parties (BOPs), open mic nights, and pub quizzes. Our Welfare Representatives organise our peer support system, JCR Tea (a weekly snack event), and our Blues Week provisions during the 5th Week of term. Overall, the JCR exists to make your college experience as pleasant as possible; in time, we'll hopefully make Teddy feel like a second home for you.

Our college facilities are renowned throughout Oxford for their quality. Our library, within the gorgeous Norman church of St Peter's in the East is spacious, even during exam season. Likewise, the graveyard set just outside is an amazing spot to unwind, and even though it's mildly morbid, we love to relax there during the summer. We've recently seen the opening of the Chough Café, which is a new favourite among undergraduates, and our bar is open most days of the week, serving both alcoholic and non-alcoholic drinks.

Importantly, please join our JCR WhatsApp group (JCR Teddy WhatsApp), this is where most events are organised and announced so don't miss out! We likewise have a JCR website (https://jcr.seh.ox.ac.uk). The President also sends round a weekly email with updates from around college.

In terms of college governance, the statues and regulations of St Edmund Hall are contained within the Grey Book, which can be found on the college website. If you ever have any problems with college life, whether it be accommodation, new developments, or any assorted matter, please feel free to reach out to me at jcrpresident@ox.ac.uk or my WhatsApp number.

Support can also be found in my amazing committee, particularly our welfare team and peer supporters. The college family system also exists to provide advice and a support network in your

early days of life at Teddy; you'll be assigned two parents upon receiving your offer who'll host you for dinner in Fresher's week. We're here to help you settle into Teddy, whether you've moved from the city over, or from across the world.

Finally, my main piece of advice is making the most of your time at Oxford! In my first year I decided to get involved in as many elements of student life as possible, whether it be rowing, student journalism, drama or music. We've even got a student pantomime planned for the end of your first term, which all freshers are highly encouraged to get involved with. You're only at Oxford for a brief time, so do make the most of all the brilliant opportunities you are afforded.

Your JCR President,

Guus Wijnne

Welcome from the JCR Welfare Officers

Hi (H)all,

Welcome to Teddy Hall! This is a quick message from your JCR Welfare Officers (Nina and Ptolemy) to tell you a bit about our role within college and also provide you with some details as to Welfare events you can attend and people you can contact to support you throughout your time at the hall. Uni is such a whirlwind of an experience but there are always people eager to support you.

A little bit about us...

We want to continue to foster a safe, supportive environment at Teddy and this is achieved by the people that make up our small but spirited college. Our main responsibilities include organising Welfare events, running peer support drop-ins and being a point of contact for any welfare related concerns.

We are both trained peer supporters and work alongside an amazing team of other peer supporters throughout college. Peer supporters are students who have undergone a term of training to be better equipped to support you in whatever capacity we can. This can include being a listening ear, offering a helping hand, or guiding you to the right support. We run termly peer support drop-ins in the Welfare Room (first floor, Staircase II), providing an opportunity for you to chat with some of our peer supporters about anything that may be occupying your mind over some tea and cake. We want you all to know that we are here and we want to help!

We also run a number of welfare events throughout the year, including free weekly yoga classes, welfare walks and the legendary JCRT (a massive weekly picnic). You'll largely hear about our events via the JCR WhatsApp group. You'll also witness welfare on steroids in 5th Week, which in Oxford is known as Blues Week. During Blues Week, the JCR organises many welfare events, including Pidge-a-notes and Blues Week breakfast alongside many more events where you can relax, recuperate and eat copious amounts of sweet treats! And lest we forget the annual University-organised Alpaca visit outside of the Rad Cam.

We also ensure there are sexual health products (condoms, lubricant and pregnancy tests) available to all students at college, which are free to take from the box directly outside the college Welfare Room. College will also reimburse you for emergency contraception.

Additional Welfare contacts within college include: the Nurse, Senior Welfare Officer, Councillor, and the Decanal team. Contact details for any of these people can be found on the St Edmund Hall website (https://www.seh.ox.ac.uk/students/health-and-welfare), and appointments can be booked at https://wellbeing.seh.ox.ac.uk/.

If you find yourself feeling overwhelmed during Freshers Week, please do not hesitate to seek us out! We know that this is an exciting albeit potentially daunting time and we are here to help! ....above all we love to chat :).

We cannot wait to meet you all in person in October!

Academic Dress and Dress Codes

Full academic dress at Oxford is known as 'sub-fusc'.

It consists of the appropriate gown (the University outfitters will advise), a mortar board or soft-cap, and your preferred items from:

1. One of
    - Dark suit with dark socks, or
    - Dark skirt with black tights or stockings, or
    - Dark trousers with dark socks
2. Dark coat if required
3. Black shoes
4. Plain white collared shirt or blouse
5. White bow tie, black bow tie, black full-length tie, or black ribbon.

Students serving in H.M. Forces are permitted to wear uniform together with a gown.

The first time you will need to wear full sub-fusc is at Matriculation on Saturday of 1st week. You probably won't wear full sub-fusc again until your exams, but you will wear your gown at some formal dinners and formal academic appointments, such as meetings with the Principal. Gowns are not worn to Freshers' Dinner.

Dress Codes

The following guide has been created by the MCR to help you better understand different dress codes. You'll quite often get invited to things where there is a dress code in Oxford. Knowing what to wear can be a nightmare, so here's a guide:

Casual	You can wear what you like (within reason). Jeans and trainers are acceptable.		
Smart casual	Collared shirt, smart trousers (avoid wearing jeans if possible), black or brown shoes (avoid trainers if possible), and a jacket or plain jumper if you like. A tie is not necessary.	**OR**	Smart top or blouse, jacket, or cardigan if you like, smart trousers/skirt to match jacket and tidy shoes or boots (avoid trainers if possible).
Lounge suit or **Smart**	A dark suit (with matching jacket and trousers), collared shirt and tie (but not bow tie), and black shoes are required.	**OR**	Cocktail dress (length just above the knee to just above the ankle).
Black tie	Black tuxedo (silk or satin lapels and ribbon seam on the outside of the trouser legs to match jacket), white dress shirt with cuff links, black silk or satin bow tie, and black shoes. A waistcoat or cummerbund is optional. Formal national dress is also acceptable.	**OR**	A long flowing dress or cocktail dress is typically more elegant than worn for a lounge suit dress code. At balls a long ball gown is appropriate.

White tie	White cotton pique bow tie, black jacket with tails, dress shirt with cuffs and winged collar, black trousers with two satin seams along the outside trouser legs, white waistcoat, white silk handkerchief and black shoes. A black top hat and white gloves are optional. Formal national dress is also appropriate.	**OR**	A long ball gown reaching at least the ankles or the ground.

There are a number of University outfitters in Oxford:

Ede & Ravenscroft, Walters, Shepherd & Woodward, and the Oxford University Shop. By including these reproductions of their promotional material, we are not endorsing one supplier over the others.

Development and Alumni Relations

Welcome to Teddy Hall

from the Development and Alumni Relations Office

Welcome! You are now a part of the worldwide community of Aularians. Every student of St Edmund Hall, past and present, is known as an 'Aularian', a term that derives from the word 'aula' (Latin for 'Hall'). Aularians form a network with over 11,000 members, and the Development and Alumni Relations Office (DARO) is there to keep you in touch with each other and the College past graduation.

To keep you in touch, DARO delivers a programme of over 30 national and international events for all members of the Hall community and the alumni newsletter, The Aularian.

DARO runs the HALLmarks Campaign, fundraising for the physical, intellectual, cultural, and pastoral priorities of the College, and ensuring Teddy Hall continues to deliver a truly aspirational and inclusive experience for all. You can read more about the Campaign and its goals at hallmarkscampaign.seh.ox.ac.uk.

Philanthropy

The Hall has enjoyed generous support from Aularians and friends, with many past graduates assisting our current students:

1 out of 4 undergraduates receives a donor-funded bursary; the College offers over 20 graduate scholarships, as well as over 150 awards and prizes. Many of our extracurricular clubs and activities, including sports, have been kindly supported by donations.

We believe that philanthropy is in true Spirit of the Hall and it exemplifies the HALLmarks chosen for our Campaign: Care, Community, Continuity, and Camaraderie.

The St Edmund Hall Association (SEHA)

All Aularians are members of the St Edmund Hall Association (SEHA), the body that represents the Hall's alumni. A small Executive Committee manages the SEHA (both the JCR and MCR Presidents sit on the Committee) and any Aularian may stand for election. The SEHA is independent from, but works closely with, DARO.

The Association exists to promote alumni relations and encourages Aularians to:

- Foster friendship and the spirit of collegiality through social and educational events
- Create and encourage professional and social networks
- Collect and disseminate news of alumni and SEHA activities

Keep in touch

We will continue to keep you updated with news from the Hall and invite you to regular events. So that we can make sure you receive all the latest news and invitations, we'll add you to our database when you arrive (please see the data protection information below).

If you would like to know more about the work of DARO, please contact us at alumni@seh.ox.ac.uk or visit us in person in our office in Staircase 6, above the Bursary.

What to do in the event of an attack

by an armed person or persons

The purpose of this guidance is to alert and not to alarm – it is not being provided in response to any specific information. Staff and students should remain alert to the danger of terrorism but should not let the fear of terrorism stop them from going about their day-to-day life as normal.

Be PREPARED
Stay CALM

In the event of an incident, quickly determine the best way to protect yourself:

Evacuate

- If it is possible to do so safely, exit the building or area immediately
- Have an escape route in mind (Fire Exit signs are a good point of reference)
- Evacuate regardless of whether others agree to follow
- Help others, if possible
- Prevent others from entering the area of danger
- Do not attempt to move wounded people
- When you are safe, call 999 and ask for the police

Hide

- If evacuation is not possible, find a place to hide where the offender is less likely to find you
- If you are in a room/office, stay there
- If you are in a corridor, get into a room/office
- Lock the door and blockade it with furniture
- Silence your mobile phone and remain quiet
- Turn off the lights and draw any blinds
- Hide out of view and behind something solid (desk or cabinet)
- If it is possible to do so safely, call 999 and ask for the police

Inform

When you contact the police provide the following information:

- Location of and the number of offenders
- Any physical descriptions of the offenders
- Number and type of weapons used by the offenders
- Number of potential victims at the location
- Your location

Stay SAFE
