We are writing to welcome you to Oxford and to introduce ourselves to you as your College Doctors. St Edmund Hall has appointed Summertown Group Practice to provide health care for you while you are at college.

To register with Summertown Group Practice please complete our on-line registration form which you can find at www.campusdoctor.co.uk/oxford

During term time we offer surgeries at the college, you can also be seen at Summertown Health Centre. If you need to see a doctor whilst you are at home, you should go to your home GP and register as a **temporary patient.**

Our services are strictly confidential. While we have a link to your college, we do not discuss your medical issues with anyone in the college, your friends, or your family unless you ask us to do so.

All students who are studying in the UK for longer than six months duration are entitled to register with the NHS. This is a Government-funded service, paid for by British tax-payers. Please go to www.nhs.uk for more information. As a patient, you generally access the NHS through your GP. In the UK you cannot consult a medical specialist without going through the GP first. If you are from abroad and have a pre-existing health condition, we request that you bring copies of your medical records and diagnoses with you to help us to help you, and to file a copy in your medical records here.

We have a comprehensive website at www.summertownhealthcentre.co.uk where you can find out about the services we offer and surgery times. If you have any queries, then our reception staff will be very happy to help you.

Immunisations

It is particularly important you have had all your immunisations before you arrive. In particular, the **Measles, Mumps and Rubella (MMR) vaccine and the Meningitis ACWY vaccine (for students up to age 25)** are strongly recommended as these infections circulate rapidly in the student community. Over recent years Oxford has had several mini epidemics of Measles and Mumps. In the UK these vaccines are available through any GP practice, please arrange to receive these vaccines over the summer so that you have immunity on arrival in Oxford. If you are from a country where these immunisations are not available, please contact us when you arrive in Oxford to arrange appointments for them.

Registering with the Practice is IMPORTANT for both your assurance and the College.

We wish you good luck with your studies in Oxford.
