JCR and MCR Peer Supporters, Michaelmas 2026

Peer Supporters are students trained to listen, offer a helping hand and guide you to the right support.

Whether you're feeling stressed, overwhelmed or just need a friendly ear, they are here to help, confidentially and without judgement. No question or issue is too small!
Please reach out to them directly via email.

JCR Peer Supporters

Simeon Ainsworth

simeon.ainsworth@seh.ox.ac.uk

Hi! My name is Simeon (He/They) & I'm a 3rd year Materials Scientist, I'm also one of the JCR LGBTQ+ reps (come to our events!!) and love playing Ice Hockey!! If you can't find me at college I'm probably at the rink but you can always grab me by email :)

I'm a qualified Rainbow Peers Supporter

Tosin Alatise

oluwatosin.alatise@seh.ox.ac.uk

Hiya! I'm a DPhil student in Materials Science looking at aluminium alloys. I'm one of Teddy's MCR Welfare Officers for 2026/27. I'm often hanging about around Teddy Hall and am always down for a chat or a laugh.

Ptolemy Egan

ptolemy.egan@seh.ox.ac.uk

I'm studying Materials Science and take part in a lot of the sports the college has to offer. I love walking, architecture, and being outside.

Samantha Foster

samantha.foster@seh.ox.ac.uk

My name is Sammy and I am a second-year DPhil student studying Clinical Neuroscience. When I am not looking at brains, I love to run (especially with Teddy run club) and I also row with the Teddy Hall Rowing club. I love to help people in any way possible as problem shared is a problem halved!

Studying at Oxford is amazing but can be challenging at times, so please reach out as you are never alone.

Peers of colour and disability diversity peers supporter.

Alba Gonzalez

alba.gonzalez@seh.ox.ac.uk

I'm a qualified Rainbow Peers Supporter

I am a first-year DPhil student in Mathematics, working in Geometric Group Theory. I love learning anything related to music. I mainly play the saxophone, and I am especially interested in hearing about different kinds of music from around the world. In my free time, I also enjoy spending time in nature, going for runs, and reading philosophy. If you would ever like a chat, feel free to get in touch. I am usually around Teddy Hall, and always happy to listen :)

Sophie Herbert

sophie.herbert@seh.ox.ac.uk

I'm a second-year experimental psychologist. I enjoy playing violin, and play for the university string ensemble. I'm always happy to have a chat if needed!

Nina Rainbow

nina.rainbow@seh.ox.ac.uk

Hey!! I'm Nina, I'm a second yr biochemist and one of the Teddy Welfare Reps. In my free time I enjoy going on walks as well as the occasional yoga or dance class. I'm always up for a chat so don't hesitate to reach out about whatever may be playing on your mind.

Henrietta Reed

henrietta.reed@seh.ox.ac.uk

I'm a third-year Psychology & Philosophy student at Teddy. I love music, reading (non-academically!), and walking in the pretty green spaces around Oxford. I may even be found swimming in some of Oxford's waterways with the Wild Swimming Society if it isn't too cold! I'm always open for a chat, particularly over tea or ice-cream, so do reach out or come and find me around college if you need anything at all :)

Hossein Sedhi

mohammadhossein.sedehi@seh.ox.ac.uk

I'm a first-year DPhil Law student and MCR–SCR relations rep. When I'm not in the library, I like going for walks, watching films, and spending time with friends. I'm always up for a chat over coffee or tea!

Josie Simpson

josephine.simpson@seh.ox.ac.uk

I'm a qualified Rainbow Peers Supporter

I'm a second-year historian and medievalist at heart. You can usually find me in the college library or at the JCR coffee machine getting another hot chocolate. I help to run knit & natter in college and am interested pretty much in any type of crafting! I knit, crochet, embroider, sew clothing, scrapbook... When the sun is out, I love to go for a walk around Christ Church Meadow. I also play a lot of AFL and cricket.

Kieran Storer
kieran.storer@biology.ox.ac.uk

Hello! My name is Kieran, I am a 2nd year DPhil student in biology studying trees. When I am not wandering around the woods, I enjoy running, reading, and a variety of craft projects (most of which, unfinished). I was the MCR welfare office last year, and I am always happy to go for a walk or to grab a coffee and have a chat!
